Workshop on Mobile Computing and Wireless Communications

Call for Papers

The 2022 Workshop on Mobile Computing and Wireless Communications in conjunction with 2022 International Computer Symposium (ICS 200) will be held at National Taipei University of Business, Taoyuan, Taiwan, on December 15-17, 2022. The main focus of the workshop will be on the novel proposal of techniques for mobile computing and wireless communications systems. This workshop intends to provide a forum for researchers, educators, and professionals to summarize the most recent developments in the field.

All the papers will be published to the symposium in Springer-Verlag CCIS series, Communications in Computer and Information Science (pending approval). CCIS is abstracted/indexed in DBLP, Google Scholar, EI-Compendex, Mathematical Reviews, SCImago, Scopus. Papers of high quality will be invited to special issues of International Journal of Internet Protocol Technology.

Important Dates
Full paper submission: September 15, 2022 (AoE)
Paper notification: October 22, 2022
Camera-ready paper due date: October 31, 2022
Conference date: December 15-17, 2022

We invite submissions on a wide range of mobile computing and wireless networking research, including but not limited to:
- Mobile/wireless network architectures
- Mobile computing applications/systems
- Edge computing
- Machine-to-machine communications
- Performance modeling of mobile and wireless systems
- Data/Resource management on mobile and wireless computing
- Ubiquitous computing and mobile human computer interaction
- Long-range/Low-power wide-area wireless networking
- Vehicular ad hoc networks/ Internet of Vehicles
- Wireless ad hoc and sensor networks
- Next-generation 6G mobile networks
- Applications of machine learning to mobile/wireless research
